Dr. Papagiotas and Mr. Pesce,

As the first graduating class under your combined leadership for four years, we owe you so much appreciation and thanks. When we all started in the fall of 1998, no one knew how this would all turn out, but with your help we have been more successful than we could have ever dreamed

You have made it possible for us to go places, both literally and figuratively. Many of us went to Washington D.C. and came back with memories that will stay with us forever. We hope to have the same experience in Florida. Apart from class trips, we have had a great four years here in North Reading. Thank you for believing in us, and good luck in your years to come.

DAD & MOM

Our little girl with a great big heart.
We've loved you so right from the start.
Your eyes are mine, your hands are his,
Your beauty all your own.
We're so proud of you my dear,
Look at how you've grown.
We've laughed, we've cried, and laughed again.
We've seen each other through.
From broken arms to broken hearts,
And knees all black and blue.
Braces, races, midnight chases,
How did you get out? Friends stop by while we're away,
To order in no doubt.
We tried to do our best for you,
And this you can't retort.
It's time for you to follow through,
Your life is yours to live.
I'll leave you with a song I know,
Whose words to you I give:
"...I hope you still feel small when you stand by the ocean.
Whenever one door closes, another opens.
Promise me you'll give faith a fighting chance.
And when you get the choice to sit it out or dance,
Dance... I hope you dance."
You did it!

Love you more than you know,
Mom, Dad, Pam, & Shannon

From "teddies, teddies,
teddies" til today,

Kevin's hand-me-downs

Leaving millions of

your smile.

With lots of love,
